Introducing our new ACFR Vision

TO BE RECOGNISED BY CLIENTS, CANDIDATES, STAFF AND INDUSTRY PEERS AS BEING THE BEST ACCOUNTANCY RECRUITER IN THE NORTH WEST

Recent Adele Carr business highlights include:-

- During our last financial year (Feb 2016 to Jan 2017) we found work for over 460 candidates
- Revenue also increased year on year by 4%

ACFR Team News

We are pleased to announce that Kartik Masalawala is joining our Practice Division in April. Since 2015, Kartik has been employed as an Accountant. We look forward to him joining our team.

Many congratulations to Jennifer Wallis who recently got engaged. We wish both Jen and her fiancé, Gareth all the very best

Merseyside Women In Business Awards 2017

Adele was recently shortlisted as Recruiter of the year and despite narrowly missing out on receiving the top accolade, an enjoyable afternoon was enjoyed by some of the ACFR and guests.

Adele and Gareth reward strong performances at Manchester House

A number of the ACFR team recently enjoyed a 10 course tasting menu at one of Manchester's finest restaurants. The food (and wine!) was top notch. Adele commented 'It was a fantastic afternoon and a great way to celebrate some superb individual performances'

Breakout

The Practice team had a great evening sponsoring a Tax Professional's social event in Liverpool. Much fun was had trying to escape the Breakout rooms

A night back in time:

Tim & Gareth enjoyed hosting a table at Anfield for an evening called *Sangria with Garcia - An evening with the Spanish Legend*. Garcia was in excellent form for his Q&A and it was good to see the Champions League trophy on show.

Salary Survey

Management Talk

Is your team a happy one?

Recently Adele Carr Financial Recruitment asked accounting professionals (135 respondents) the following 3 questions:-

Is your current place of work, a positive place to work?

If 'NOT' then why?

How could your work place environment improve?

The responses

62% confirmed that they felt that their current work place was NOT a positive place to work

Reasons for this include:-

My manager/management	48%
Culture	42%
The team I work with	23%
The office/site size	18%
